

In Bloom at Van Vleck October

Highlights of the season: *Cosmos sulphureus* (sulphur cosmos), and *Schizachyrium scoparium* 'Standing Ovation' (little bluestem grass) are prominent in the wildflower meadow. *Anemone x 'Prinz Heinrich'* (hybrid anemone), *Panicum* (fountain grass), and *Hydrangeas* in the tennis court. Foliage colors getting pretty!

Scientific Name	Common Name	Where?	Fragrant?			
-----------------	-------------	--------	-----------	--	--	--

Trees: none at this time

Shrubs:
